

Prior Learning: In Year 5, children learned how to throw with control, precision, fluency and accuracy. They practiced various ways of dodging. They also recapped their blocking skills and progressed to blocking games in small groups. They practiced their catching in a game situation. They also created their own games which included the skills they had learned.

Our Dodgeball Rules:

- All the children start by standing on the baseline
- At no point in the game can children cross the halfway line to the other team's half: If they do they are 'OUT'
- Children to throw the dodgeball at the other team, aiming to hit each other anywhere below the shoulder
- Hands cannot be used to block dodgeballs, only to try and catch
- When hit by a ball anywhere below the shoulder, they are 'OUT' of the game and must stand at the side of the court.
- If a team member CATCHES the ball, the person who threw it is 'OUT'
- NO head shots- if there are - the player that threw the ball is 'OUT'
